Your honor even though these cases have been dismissed I am humbly requesting that my complaints for these cases be sealed. I fear for my safety and the privacy of my family. People have been logging into Pacer, pulling up my complaints and finding my location information. I have been called, text and even sent mail from individuals who told me they got my

information from my complaints. Your honor please for my the safety of me and my family
please seal these complaints from the public. This has caused me severe anxiety and emotional
distress.

Best Regards,

Umar Clark
